

# PSI Product of the Month-Jan.

## ***AEROFLOW CONTROL VALVE***

### **SCOPE OF OFFERING**

- ◆ High performance control valve
- ◆ 1" - 16", ANSI 150 - 4500 Class
- ◆ Body materials WCB, C5, WC9, CF8M

### ***FEATURES***

***&***

### ***BENEFITS***

- ◆ Zero leakage metal to metal at rated operating conditions
- ◆ Application specific trim
- ◆ Quick change trim
- No loss of costly high pressure steam or condensate
- Customized for operating conditions
- Seat can be replaced without cutting or welding

### **WHERE USED**

- ◆ Power plants
- ◆ Pulp & paper mills
- ◆ Colleges & hospitals

### **APPLICATIONS**

- ◆ High pressure condensate boiler feed pump recirc feedwater control
- ◆ Steam PRV, turbine bypass
- ◆ High pressure steam control
